1) LEADERSHIP:

Our leadership team continues to grow. It is very important that we ask the best people to work on the campaign. First class people doing a first class job – that breeds achievement. Influence flows downward. We are enlisting an outstanding leadership team. Our challenge is to keep enlisting the finest folks as possible to assist in this endeavor. Those who are already close to the campaign are obvious choices and may be easier to enlist as a volunteer. If they meet the necessary criteria, that is a) affluence, b) influence, c) availability and d) team spirit. These are the sort of people we want working on this campaign.

2) *Our Faith...Our Hope...Our Future* CAMPAIGN

We are continuing on an aggressive campaign in order to secure the future of our parish and school. To successfully fund such an ambitious project will require a well-planned, effective appeal to all members of the St. Stephen Parish and School constituencies. It is only with the prayerful support and generous response of our entire parish and school family that this effort will succeed.

3) RESEARCH IS THE KEY TO SUCCESS

We are busy researching the names of prospects for the various sections of the campaign. We will also be studying the names of people to fill the various leadership positions in the campaign organization.

4) SECTION PLANS OF OPERATION

Each section of the campaign will have a specific Action Plan. These are being finalized and will be available in the next few days. Each plan will have a timetable and deadlines that need to be met to insure a successful campaign.

THOUGHT FOR THE DAY: Thunder is good. Thunder is impressive, but it is the lightning that does the work.
