# SLOPE

*“Verso l’alto”* Toward the Top

Please join us for SLOPE night! This week’s topic for discussion will be Authentic Life. We will focus on the dichotomy between the world’s view of living an authentic life and the Christian view of living an authentic life. Dinner is provided! All middle school and high school aged youth are welcome to attend regardless of culture, belief, or backgrounds. Bring a friend! We meet every Sunday night 6:00-8:00pm in the basement of St. Stephen Catholic Church. Every night will be a different topic of discussion with games and activities related to that topic.
