VOLUNTEER EFFORTS ARE REAPING REWARDS

Many thanks to all of the people who have agreed to work on this great project for St. Stephen Parish and School. We have filled all of the top leadership positions. Please check the second page of this report to see who these wonderful folks are.

ALL OF THE CAMPAIGN SECTIONS ARE WORKING HARD

The rest of the campaign organization is hard at work. Volunteers are being enlisted and visited. Many volunteers are needed to insure the success of the campaign. If you are asked to help, please say yes.

CAMPAIGN AT A CRITICAL STAGE

Our Faith...Our Hope...Our Future... capital campaign is at a critical stage where we merge two functions – one group is out soliciting folks and the others are enlisting the help needed to complete the job. Every person makes history when they step forward to assist in this effort. Everyone deserves the opportunity to be on the “TEAM”.

Time is of the essence! The whole ball game rests in these next few weeks being a “buzz of activity – a flurry of enthusiasm.” We have a superabundance of both at St. Stephen.

ANOTHER WORD ABOUT DEADLINES

As we have stated before – we must do our best to stay on schedule throughout the campaign. Everyone must do their utmost to enlist their volunteers and to visit their prospects in the time frame that has been outlined in the master schedule. We realize that this is not always possible but we need to give this work our best effort. Please – don't PROCRASTINATE.

QUOTE FOR THE WEEK: *THE ONE WHO ASKS MUST GIVE FIRST!*
