PACESETTER SECTION

The Pacesetter section volunteers are busy making appointments. All Pacesetter pledge cards have been assigned. Now we have to complete our visits and return the completed cards to the campaign office. There are 65 prospects in this section. Eleven pledge cards have been completed and returned. Our goal is to have all of these visits finished by November 2nd.

SPECIAL GIFT SECTION

The Special Gift Section will meet on Tuesday, October 27th to select the families they will visit. There are 134 prospects in this section. Many of these are already volunteers and will not have to be visited. Campaign information was mailed to these families on Thursday. We hope to complete our home visits by November 17th.

PARISH FAMILY SECTION

Volunteers are working hard in the section recruiting as many volunteers as possible. This section has over 1,000 prospects and we need a great deal of help to finish the task. Campaign material will be mailed to all Parish Family Sections prospects in the next couple of weeks.

As you can see from the above listed timetable things are moving along at a pretty rapid pace. We need to stay on schedule in order to complete the campaign in the time frame we have allowed. Thanks to everyone for their dedication and support.
