CAMPAIGN PASSES HALF WAY MARK!

With nearly \$1.7M in cash and pledges from 127 pledges, *Our Faith...Our Hope...Our Future* capital campaign has reached 56% of the goal for St. Stephen Parish and School. This is a solid start for a successful campaign. We feel confident that the Pacesetter and Special cards still out will push the totals toward the goal. With the Parish Family Section having nearly 1,000 potential donors, our hope is to exceed our \$3M parish goal.

There is no deep dark secret on how to win a campaign. It's very simple. Get the cards that are out worked and turned in. By worked we mean properly visited. Pacesetter and Special Gift's appointments have been set and it's just a question of time before they can be finalized and turned in, hopefully within the next two weeks.

We're on the final glide path. Victory is in sight. Keep up the great work.
