

Summer SLOPE Events

June 13th-15th

JPII Outdoor School is putting on a leadership retreat for middle school and high school youth. We will be on a three-day local backpacking trip June 13th-15th. This is a great opportunity for students to learn about the outdoors and improve their leadership skills. The cost is \$210 which is a pretty good deal for all the food and gear provided with that cost.

June 24th-26th

For 8th graders entering into high school we still have spots to attend the Steubenville Conference in Denver, June 24-26. This is a great opportunity for youth to grow deeper in their faith with talks, concerts, workshops, etc. The cost is \$185 with all food, lodging, tickets included in that price. I have to mail in all the permission slips and checks on May 1st and spots are filling up quickly so get those into the office as soon as possible.

July 9th

6 Flags Elitch Gardens and Newsboys Concert. A fun day riding the rides moving into a free Newsboys concert. Cost is \$40 for the ticket plus spending money for lunch and dinner.

July 15th-16th

Nightvision. Two night Christian Concert in Olathe, CO. Headliners: Newsboys, Sidewalk Prophets, For King & Country, and Kutless. This is still in the works on whether or not we want to go both nights and camp out, or just one night and drive back. Tickets are \$20 per night. We need some parent involvement if we want to do both nights and camp so let me know if you are interested in helping out.

*****Please call the office 970-945-6673 and talk to Ben Ziemann for more information and to reserve spots for all events.*****
